Family Learning = A wonderful opportunity for teachers, parents and pupils to learn together! We will show you what we are doing in school and the different ways in which to support your child at home. It is an expectation that a member of the family, or a friend of the family, attend these sessions.

FOFW = Friends of Floreat Wandsworth (our Parent Teacher and Friends Association). This organisation is run by the parents who encourage and facilitate social activities between parents, carers, friends, teachers and pupils. FOFW raise valuable funds to enhance the facilities of Floreat Wandsworth such as the new climbing frame. They also raise money for good causes such as Children in Need and St George's Hospital.

Teacher & Parent Meetings = A 10 minute meeting with the class teacher. The first meeting of the year will focus on the personal and social side of school life. Parents will also have an opportunity to look at the work pupils have completed so far. Written reports will be released to parents during the second and third meetings of the year (in the Spring & Summer Terms). You can choose a date and a time for your meeting at least a month before by attending the 'sign up' event in the hall (Autumn Term 'Sign up' - 11.10.19).
