

Welcome to Family Learning

Shape

Why shape?

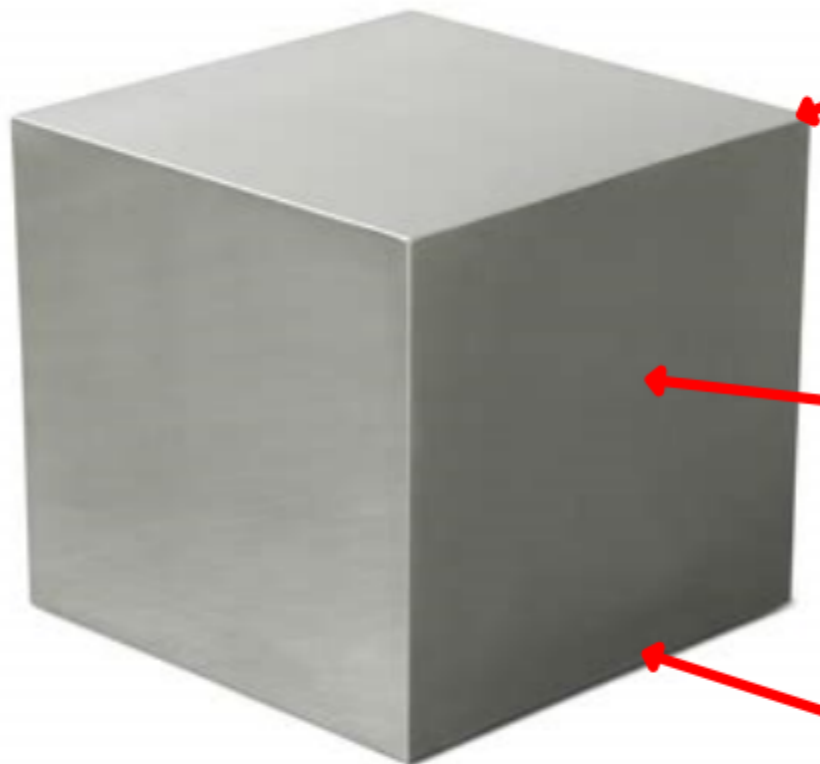

The observation of the same and different.

Discussing how objects relate to each other.

Observing similarities and differences.

Making links.

Provides a foundation for more advanced skills.

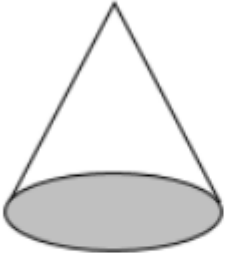

vertex (s)

vertices (pl)

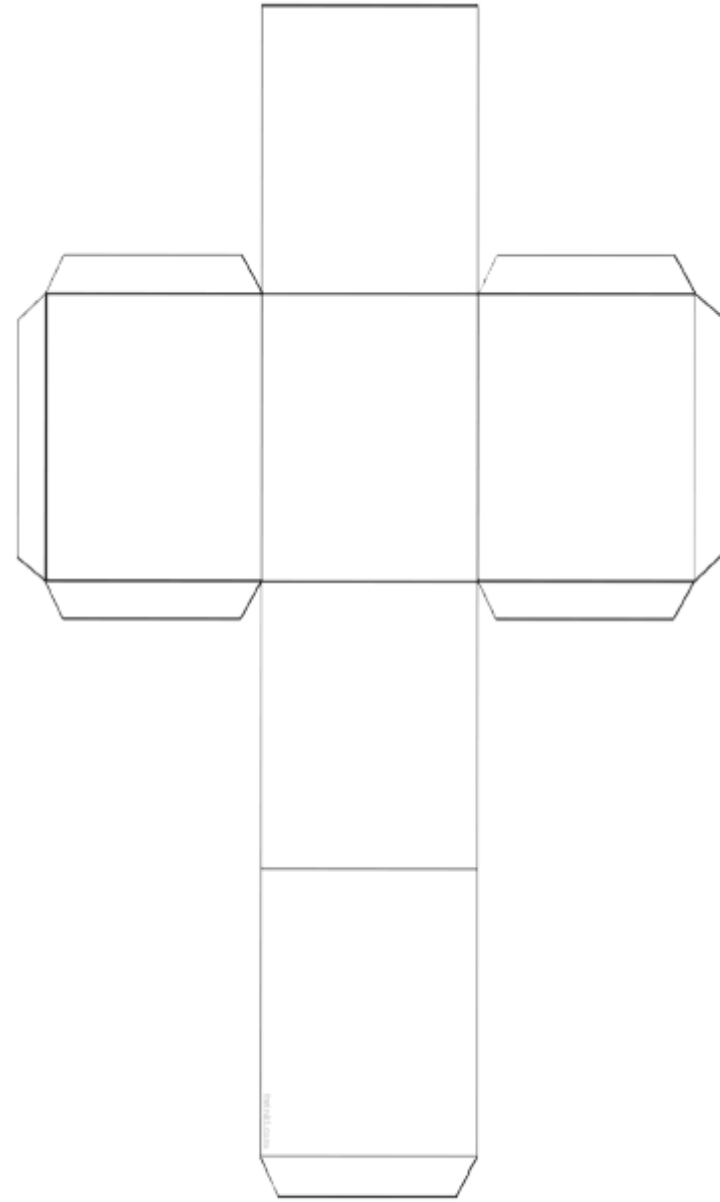

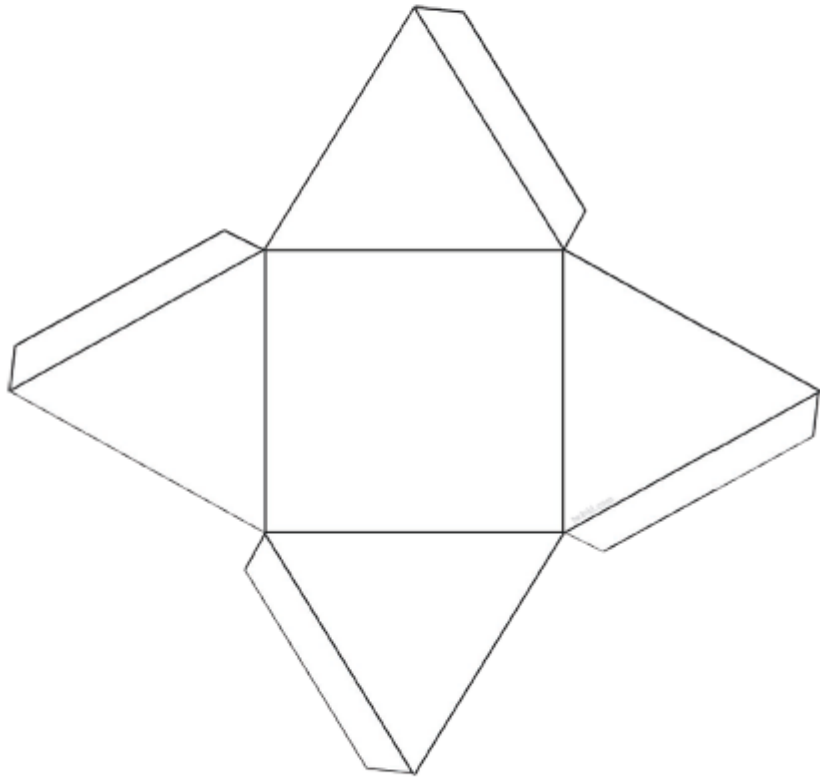

face

edge

3D Shapes and their Properties

Shape	Properties	Real world
	<p>This 3D shape is a _____.</p> <p>It has _____ faces, _____ vertices and _____ edges.</p>	
	<p>This 3D shape is a _____.</p> <p>It has _____ faces, _____ vertices and _____ edges.</p>	

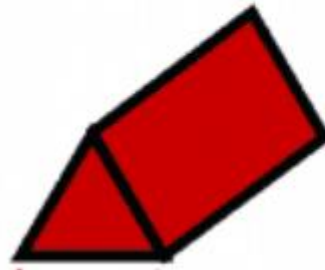

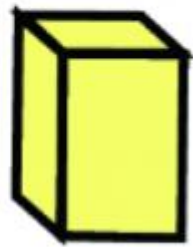

Nets
