

MARVELLOUS MUMS TAKE ON MEGA-MARATHONS!

Our Supermums are here – juggling family life, work and now MARATHONS! This weekend **Grace (mother of Helena)** is walking around the Isle of Wight (106km!) with her two sisters-in-law. **Tee (mother of Amelia)** and **Victoria (mother of Charlie and Libby)** are running from London to Brighton on Saturday 26th May (please see the Wandsworth Guardian link below!). All three mums are raising money for the school so that we can make the provision for our pupils even better! On behalf of the staff and the pupils – THANK YOU! If you, or anyone you know, would like to sponsor our Supermums then please visit the Local Giving webpages below:

A PERFECT GIFT FOR FATHER'S DAY

... or just a great souvenir from your child!

Your child will create their own design for an individual personalised mug with their own choice of bright colours! We will send home a blank template for your child to complete their design at home.

Then all you have to do is return your picture to the school office by 21st May, clearly marked with your child's name, class, school and how many mugs you would like to order, filled in on the reverse side of the drawing.

Finally, please go to localgiving.org and search for 'FloreatFathersDay' or go direct to www.localgiving.org/fundraising/floreatfathersdaymugs. Please remember to include your child's name and class when you make the donation. The price is £6 for one mug or £10 for two.

Your child's design will be printed on the mugs. The mugs will be delivered to the school the week before Father's Day.

SERVING OTHERS

**St George's
Hospital
Charity**

This year we are working with St George's Hospital to raise an awareness of the great work our local hospital does. The pupils really enjoyed dressing up and discussing the jobs people have in the hospital and how they serve others every day. We are pleased to announce that our dressing up day raised over £400 for St George's! The hospital would also like to thank families for all your donations of toys and games. Mr Custance and the Head Pupils delivered these toys – much to the delight of the children and staff!

NEWSFLASH!

Year 1 have been enjoying the wonderful new 'Stage Garden' where they have been interviewing each other as part of their Talk+Writing focus on the story of Baby Brains. Pupils learnt to master the art of asking questions and were trained in how to remain calm and composed on live TV! Thank you to FOFW for making this possible!
