

A WALK ON THE WILD SIDE!

DARWIN & COLUMBUS SCHOOL TRIP

The Reception pupils put on their explorer hats and took a trip to London Zoo in search of as many different animals as they could find.

With excitement and wonder they explored the zoo and all its inhabitants. There were giggles of delight in the Butterfly House and shrieks of sheer amazement at the sight of the giant giraffes.

The children showed great independence as they carried their own lunches and took responsibility for directing their groups around using the map.

One of the highlights of the day was visiting the Gorilla Kingdom where the children discovered a species called the Columbus Monkey!

YEAR 2 CRICKET FIXTURE

Year 2 showed outstanding sportsmanship during their latest fixture against Earlsfield Primary School, coming in 2nd place by 1 run!

When asked by Mr Gallagher, "What do you think your team did well?" one of the team answered, "Even if one of our team missed the ball we still encouraged each other". What a thoughtful response and demonstration of exceptional character.

POSITIVE FEEDBACK

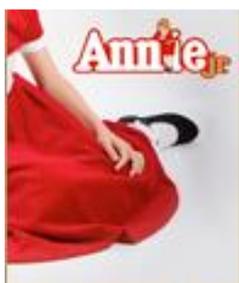

The Office Team received a wonderful phone call this week from a member of the public. A lady had been sitting in her car watching our Year 1 teachers take small groups of pupils to Tesco. She could not believe her eyes and just had to call us to let us know that she thought the pupils and teachers were amazing! She thought that the pupils acted with dignity and that the teachers were overwhelmingly positive in their interactions with the pupils. Well done everyone!

Miss Richards will be taking part in a teacher training programme which starts next week. This means Miss Richards will have her final day at Floreat Wandsworth today. We would like to take this opportunity to thank Miss Richards for all her support and endless commitment to helping pupils with their learning.

Congratulations to Caelin from Year 2 who is performing in 'Annie Jr' at Hampton Hill Theatre!

Would you like to share a success story from out of school?

Please email the office with a photo and a short caption about something your child has achieved out of school. Examples could include: dance recitals, helping in the community, a wicket in a cricket match or cooking something for the first time at home.

We will do our best to get as many success stories in the newsletter as possible!

Summer Fair

Competition Tent

This year, the Summer Fair Team are inviting all children to take part in some fun competitions. These are completely optional, however, if you would like to take part please hand in all items (named, including child's class) to the Competition Tent table in the playground at morning drop off or afternoon pick up on **Friday 29th June**. There will be a tent at the Summer Fair displaying all the children's wonderful work, so make sure you stop by to see if your work has been judged a winner.

Nursery Competition

Turn your handprint into a picture, the more creative the better!

Reception Competition

Painting "Under the Sea," no bigger than A4.

Year 1 Competition

Decorate a piece of writing on A4 paper with the following words:

Rainbow Fish

Rainbow Fish

Swimming in the sea

Will you please share a scale with me?

Year 2 Competition

Generate a poster no bigger than A4 with the title **SAVE THE PLANET**

Open to children in all year groups

Create a Vegetable / Fruit animal (don't forget to label it with your name/class)
