

Welcome to Family Learning

Maths – subtraction

What is the aim ?

$$4 - 1 = 3$$

Subtraction

There are multiple ways to solve a problem.

$$\begin{array}{r} 37 \\ - 19 \\ \hline \end{array}$$

$$8 + \underline{\quad} = 14 \quad 14 - 8 = \underline{\quad}$$

Warm up – Use your resources to show
1 less/10 less

One less

Ten less
