Floreat Wandsworth Primary and Nursery School

NURSERY ADMISSIONS POLICY 2026-27

Places for September 2026 starters will be offered from March 2026 onwards

Nursery attendance and admission to Reception

Please note, admission to our Nursery **does not** guarantee admission to Reception. There is no automatic transfer from Nursery into Reception. You will need to apply for a Reception place in the normal way according to the admission process for the Local Authority / Borough in which you live.

Starting age

A child will be eligible for a place in Floreat Wandsworth Primary and Nursery School from the age of 2.

How to apply

Parents wishing to apply for a place for entry in September 2026 must complete a Nursery application form [Floreat Wandsworth Nursery Application September 2026 \(Page 1 of 3\)](#) by 13th March 2026.

The following priority criteria will be applied to all admissions to our Nursery, including where there are more applications than places available.

1. Looked after and previously looked after children
2. Children who will have a sibling at the linked schools, at the time of admission
3. Children of staff employed at the school
4. All other children

Our Nursery usually has One for 3–4-year-olds and One for 2–3-year-olds.

Within each room, applications are grouped by the oversubscription criteria and then ranked according to distance from the school and offers are made. If we have more 2-year-old application than 3- and 4-year-olds, then older 2-year-old children may go in the 3 - 4-year-old room.

The Trust reserves the right to change the Nursery model and admissions criteria to meet the needs and demands of local school communities.

Appealing a Place

As this is a non-statutory place, once the decision is made not to offer a place then that decision is final / cannot be appealed. A letter will be sent to parents explaining why their child was not offered a place.

Linked schools

This Nursery is linked with Floreat Wandsworth Primary School This does not guarantee your child a place in this school. You will need to apply for a Reception place in the normal way according to the admission process for the Local Authority / Borough in which you live.

Lunches

School lunches are available and cooked by the school kitchen staff. Please see school website for charges. [Meals | Floreat Wandsworth](#)
Alternatively, your child may bring in a healthy packed lunch (see school packed lunch policy).

Uniform

Floreat's uniform policy reflects our values and reinforces our school's culture of high expectations, pride in our appearance, and academic and character development. All pupils must dress according to Floreat's uniform policy which can be viewed by clicking on the link below:

Looked after and previously looked after children

Looked after and previously looked after children will be considered to be:

- children who are in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989, e.g. fostered or living in a children's home, at the time an application for a school is made
- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989 and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989)
- children who have been in state care outside of England and ceased to be in care as a result of being adopted.

Siblings

- A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a stepbrother or stepsister or an adoptive or foster sibling, ordinarily living as part of the same family unit at the same address
- A child will be given sibling priority if they have a sibling on roll at the school concerned and that sibling is still expected to be on roll at that school at the time of the child's admission.

Children of staff

Priority will be given to a child if their parent is a permanent member of staff at the Nursery or the linked school and they have been employed there for two or more years by the time the application for a Nursery place was made or if the member of staff was recruited to fill a vacant post for which there is a demonstrable skills shortage. The member of staff qualifies as being employed at the Nursery or linked School if they have a contract of employment with GLF Schools and the Nursery or linked School is their named base in their employment contract. They will need to still be employed at the date of entry to the nursery.

Home address

A child's home address must be the child's normal place of residence at the closing date for applications or at the time of offer for in-year applications. It excludes any relative's address unless the child lives at that address as their normal place of residence. Business or child minder's addresses must not be used.

For children who move between two addresses, the address to be used will be the address where the child lives for the majority of the time.

Where the child spends an equal time between their parents/carers, it will be up to the parents/carers to agree which address to use.

Where the child is subject to a child arrangement order which names the address that the child must spend the majority of their time in, that address must be used.

We will not generally accept a temporary address if the main carer of the child still possesses or rents a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child.

Changes of address may be considered if there are exceptional reasons for the change, such as if a family has just moved to the area. Please note schools may request proof of address.

Nursery Places

The school's decision to offer a child a Nursery place or not, based on the above criteria, is final. Parents / carers do not have the right to appeal the school's decision.

Measuring distance from school

All distances will be measured using Google Maps to a fixed location in the school. This location can be seen in Appendix 1
