We learnt a new story called "Whatever Next" We were able to share our learning with our families We have been comparing quantities in maths A big welcome to our 5 new Nursery starters! 	<ul style="list-style-type: none"> The children have been learning about different types of transport from the past and present day. We took part in a road safety workshop. We learnt the four stages to safely cross the road. 'Stop, think, look, listen.' The children designed their own boats and tested them in the water tray to see if they would float or sink. We had many successful boats.
