

Dear Parents

The pupils have had a great week learning about the different parts of the body as part of our ‘**Changing Me**’ Week. Pupils asked excellent questions throughout the week and remained mature and sensible. Please do see the class teacher if you have any further questions about this topic.

We have some reminders and updates for you below.

SPRING TERM TRIPS

The teachers are currently planning trips for after half term. Year group trip letters will be sent home by the teachers in due course.

PUNCTUALITY

We must urge all families to make sure that pupils are through the green gate on Farlton Rd by **8.37am at the very latest**. It is very important that pupils begin lessons on time so that they do not miss out on any key learning.

TEACHER & PARENT MEETINGS - NURSERY TO YEAR 5

Your next Teacher and Parent Meeting will be held just after the Easter break (see the 'Dates for Diary' section). You will also receive written reports during these meetings. Please do check in with the class teacher if you need to discuss anything before then.

TEACHER & PARENT MEETINGS - YEAR 6

Your next meeting will be before the Easter Break (see the 'Dates for Diary' section). The team will be in contact to arrange a suitable time. Written reports will be released just after the Easter Break. Please do check in with the class teachers if you need to discuss anything before then.

FAMILY LEARNING

The next Family Learning events will be held after the half term break (please see the 'Dates for the Diary' section). Parent attendance is essential!

COVID19 MEASURES UPDATE

- Adults are no longer required to wear face masks/coverings on the playground unless they want to.
- More than one adult can now come onto the playground with their child during the morning and afternoon routine. We recognise that this is an important part of the routine for some of our pupils.
- The one-way system and the timings will remain the same in the mornings and afternoons. This has been working really well and helps to give all pupils a calm start to their school day. Thank you for your support!

Please note that we may have to reintroduce measures in response to any future outbreaks.

E-SAFETY

We strongly recommend that parents hold regular check-ins and conversations with their child to understand and supervise what they are doing online and/or writing about in different online conversations e.g. WhatsApp. We are here to help if you would like any support on this matter.
