

## FLOREAT WANDSWORTH SPORTS PREMIUM REPORT 2019/20

### What is the Sports Premium Grant?

The Sports Premium Grant is additional funding from the Government to improve provision of physical education (PE) and sport in primary schools. It is also for improving the health and wellbeing of primary pupils.

### How much is the Sports Premium Grant?

Allocations are calculated using the number of pupils in Years 1 to 6

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

For Floreat Wandsworth Primary School, this amounts to **£17,650** for 2019-20.

We are using this allocation to achieve a number of sustainable objectives:

1. To develop and enhance the teaching of high-quality PE across the curriculum in all classes.
2. To develop the leadership of PE to enable sustainable quality provision.
3. To provide opportunities for physical activity due to the restrictions of our site.
4. To increase our resources/equipment for the delivery of P.E.

### What is the Impact of the Sports Premium Grant?

2019 is the third year that Floreat Wandsworth will receive Sports Premium Grant.

We anticipate that Sports Premium Grant will lead to:

- Increased opportunities for all of our pupils to access a wider variety of PE and Sports
- Opportunities to develop the skills of sportsmanship
- Develop pupil understanding of the importance of keeping fit and healthy, as well as, ways that they can improve their health and fitness.
- Pupils who are fitter, healthier and are motivated to continue to improve.

The use of the Sports Premium Grant is monitored and reviewed by Governors annually.
