

Please find a selection of photos on the front and back of this update. These photos reflect the **high expectations** we set for all pupils and the emphasis we place on creating a **happy and peaceful environment** for everyone (look out for the Class Charter designed by Keats Class!). You will also see examples of work from subjects such as Phonics, Character, Music, PE, History, Science and Geography (and photos of pupils having a great time outside!). Keep up the fantastic work everyone!

## OUR NEIGHBOURS

We have always had very good relationships with local residents. This has helped to enhance our positive reputation within the area. We must work together as a school community to ensure that these relationships and our reputation stay as strong as possible.

As a school we have very high standards of how pupils and families conduct themselves on school property. We also urge families to maintain a good standard of conduct within the surrounding area including playgrounds and parks. This includes the need to adhere to any social distancing guidelines or national / local measures as outlined by the government.

With the potential risks involved with Covid-19, and the subsequent risk of year group or class closures, we ask families to carefully consider how they conduct themselves within the surrounding area after school (including parks and local play areas). Please help us to extend this request to any childminders linked to your family.

Thank you for your support.

## PHASE LEADERSHIP

Please see the list below for the leaders of each Key Stage within our school. These leaders are always ready to help and support you and your child(ren).

**Miss Weeks** - Phase Leader for Key Stage 2 (Years 3, 4 & 5)

**Miss Wood** - Phase Leader for Key Stage 1 (Years 1 & 2)

**Mrs Davies** - Assistant Head - Phase Leader for Nursery & Reception

**Mrs Fry** - Assistant Head - Phase Leader for Nursey & Reception once Mrs Davies begins her maternity leave. Mrs Fry is returning to school next week - welcome back!

You will often see **Mr Custance** (Headteacher), **Mrs Marsden** (Head of Inclusion) and **Mrs Hirji** (School Business Manager) on the playground and on Farlton Road should you need any guidance or support.

## SCHOOL TOUR VIDEO

We are currently not able to conduct on site tours for prospective parents so we have made a video tour instead! Please click on the link below:

## TIK TOK

Please be reminded that TikTok requires users to be at least 13 years old to access its platform.

Common Sense Media recommends the app for age 15+ mainly due to the privacy issues and mature content. Please follow the link below for more information.

## SCHOOL COATS

Please ensure your child comes in with a school coat every day. We go outside in all types of weather so we must ensure children are as comfortable as possible!

## **SCHOOL SURVEY**

**Deadline - Monday 30<sup>th</sup> November at 9am**

We want to hear about what you think of the school. We very much value parental feedback as it only serves to improve our offer to our community.

In 2020-21 we will be sending out two surveys. The next survey will follow in the Summer of 2021. The results of this survey will be analysed by the school team and the governing body (the SSB).

Please respond to each statement given by answering if you 'strongly agree, agree, don't know, disagree or strongly disagree'. There is a space at the end of the survey where you can add additional comments should you wish to.

Please ensure you only submit one response per parent. More than one parent per family can complete the questionnaire for their child or children. This provides for the possibility that parents may hold different perspectives about the school.

We have provided an optional 'Year Group' section. This will help the team to analyse the results in more detail. We appreciate that some parents may wish to stay anonymous so please feel free to skip this question or answer 'I prefer not to say'.

Thank you for taking the time to complete this survey - your voice matters!

## **CLASS PERFORMANCES - CONSENT FORM**

**Deadline - Monday 30<sup>th</sup> November at 9am**

Dear Parents,

At Floreat Wandsworth, participation in whole class performances is an important part of learning and development for our children, and something that the entire school community looks forward to each year. This year will be no different!

In the current circumstances, we are unable to invite you into school so we will be sharing the performances with you as video recordings using Vimeo, an internet platform. This means that anyone with the link can see the videos but they are not publicly available on the Internet.

Please complete the form below to let us know if you are happy for your child to be included in videos of their performances which will be shared with parents via Vimeo.

As always, do not hesitate to call or email if you have any questions.

Kind regards,

The FW Office Team

Our Class Charter

We ...

- listen to each other
- try our best
- always have fun
- are kind to each other
- keep everything tidy
- stay safe
- are honest and grateful
- respect each other

I know that Mediterranean climate is warm and dry in the summer, cool and wet in winter.

Madrid, Spain

Welcome to Madrid's weather report. It's the 22nd July and my name is Clara. It's a rather humid morning and by the afternoon we will reach 30°C and in the night we will reach 20°C. Prepare for a hot steamy night. Precipitation levels are low as we don't expect under 12mm of rain.

Humour Quiz

Answer the following questions in your books in full sentences.

1. What is the name of the part of the brain that makes us laugh?
2. What does that part of the brain do?
3. Why is laughing good for our health?
4. Scientists say laughing is contagious. Do you agree and why?
5. Do we choose to laugh? Explain your answer.

1. The part that makes us laugh is called the limbic system. ✓

2. It makes us have a giggle.

3. Laughing is good for our health because it strengthens our immune system. ✓

4. I agree, because many people laugh or sneeze or yawn after another person.

5. We do because normally people laugh at something or someone but if there's nothing to laugh at then your brain doesn't send messages to your system. ✓
