	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
A1	<p>All About Me</p> <ul style="list-style-type: none"> I can navigate my way around the classroom and know where to find resources. I know that the UK has different types of weather. I can describe the different features of the weather. I can choose appropriate clothing for the weather. 	<p>All About Me</p> <ul style="list-style-type: none"> I know what a map is. I can create a map of my classroom / school. I can name the seasons and talk about the changes that occur. 	<p>Spatial Sense</p> <ul style="list-style-type: none"> I know that an aerial view means to look at something from above. I understand that maps tell us the location of different places. I can describe location. I know compass points can be used to show direction. I understand what makes a good map. I can draw a map. 	<p>Spatial Sense</p> <ul style="list-style-type: none"> I know what is located on the site of my school. I know maps show us information about a location. I can recognise and locate physical and human features of the local area. I can use a map to plan a route. I can identify locations on a globe or world map. I can draw a simple map. 	<p>Spatial Sense</p> <ul style="list-style-type: none"> I know what a compass is and why they are important. I know that symbols give us information about locations on a map. I know grid references help us to locate places on a map. I can identify physical similarities and differences between two locations. I can identify similarities and differences in human features of two places. I can compare and contrast two locations. 	<p>Spatial Sense</p> <ul style="list-style-type: none"> I can recognise geographical tools on a globe. I know that scale tells us the distance between places on a map. I can use four figure grid references to locate places on a map. I can recognise key features of the local area. I know how our local area has changed over time. I can describe changes to (inset place name) over time. 	<p>Spatial Sense</p> <ul style="list-style-type: none"> I understand that map makers draw imaginary lines to divide the world into sections. I know there are Eastern and Western hemispheres. I can use coordinates to locate places on a map. I know scale is a way of representing a large area on a small map. I know that a relief map shows heights on the map. I am able to read and understand how to use a range of maps. 	<p>Spatial Sense</p> <ul style="list-style-type: none"> I know lines of longitude and latitude divide the world into sections. I know lines of latitude tell us about the climate of regions, the further from the equator the colder the climate. I know the world is divided into 24 hourly time zones. I know map projection is a method that involves representing our round Earth on a flat piece of paper. I know maps can help us to understand data about places, people and the environment.
A2	<p>Special Places and People</p> <ul style="list-style-type: none"> I know what a map is. I can identify my community on a map. I can recognize key landmarks in my community: shop, library, doctors. I can describe my house. 	<p>Dinosaurs</p> <ul style="list-style-type: none"> I know what a fossil is. I can name where some fossils have been found. 3 Lessons: I can describe the climates and landscapes of the Jurassic/Cretaceous/Triassic periods. 			<p>Settlements</p> <ul style="list-style-type: none"> I know a settlement is a place where people live. I can identify different types of settlements. I know cities sometimes have a cathedral and a university. I can compare and contrast rural, urban and suburban areas. I can examine population density. I can identify the reasons for the location of settlements. I know what a settlement is and be able to name and describe different settlements. 	<p>Mediterranean Europe</p> <ul style="list-style-type: none"> I know Mediterranean Europe is located in the southern part of Europe. I know the Mediterranean climate is warm and dry in the summer, cool and wet in the winter. I know the warm, dry climate in Mediterranean Europe allows olives to grow. I know the Alps, the Apennines and the Pyrenees are mountain ranges in Europe. I know Athens and Venice are settlements in Mediterranean Europe. I can describe and understand key physical and human features of Mediterranean Europe. 	<p>Mountains</p> <ul style="list-style-type: none"> I know a mountain is a large landform that rises high above the land around it. I know the Alps are a mountain range in Europe that crosses into several countries. I know that Mount Everest, in the Himalayas, is the world's tallest mountain. I understand the key features of American mountain ranges I can locate the Ethiopian Highlands and Mount Kilimanjaro. 	<p>British Geographical Issues</p> <ul style="list-style-type: none"> I know the air in many UK cities contains pollution that is harmful to people, plants and animals. I know that climate change causes more frequent and severe flooding in the UK. I know that in UK we produce millions of tonnes of waste every year from our homes, businesses and industry, managing this waste is a challenge. I know litter is waste left in open, public spaces. It can cause environmental damage. I understand how our local area responds to the challenge of (insert relevant issue). I can explain some of the environmental challenges we face in Britain.

	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Sp1			<p>The UK</p> <ul style="list-style-type: none"> I can understand that the United Kingdom is a union of four countries. I can recognise Scotland as one of the countries in the United Kingdom. I can recognise Wales as one of the countries in the United Kingdom. I can recognise Northern Ireland as one of the countries in the United Kingdom. I can recognise England as the country in which we live. I can explain that there are four countries in the United Kingdom: England, Wales, Scotland and Northern Ireland. 	<p>The British Isles</p> <ul style="list-style-type: none"> I know that the British Isles are a group of islands that include Britain and Ireland. I can recognise Scotland as a country of the British Isles. I can recognise Wales as one of the countries in the British Isles. I can recognise Ireland as the one of the countries in the British Isles. I can recognise England as a country within the British Isles. I can identify and describe similarities and differences between two areas. 	<p>Rivers</p> <ul style="list-style-type: none"> I know about the different stages of a river and how they are helpful to people know about the different rivers in Europe. I know about the different rivers in Africa. I know about the different rivers in Asia. know about the rivers in North America, South America and Australia. I compare and contrast two great rivers of the world. 	<p>Eastern Europe</p> <ul style="list-style-type: none"> To locate Eastern Europe on a map. To name and describe seas in Eastern Europe. To describe the physical features of Eastern Europe. To know about the two major cities of Russia: St Petersburg and Moscow. To know similarities and differences between England and Russia. To describe and understand key physical and human features of Eastern Europe. 	<p>UK Geography: East Anglia, Midlands, Yorkshire, Humberside</p> <ul style="list-style-type: none"> I know about the physical geography of East Anglia. I know about the industry in East Anglia. I know about the physical geography of Yorkshire and Humberside. I know about the industry in Yorkshire and Humberside. I know about the physical geography of The Midlands. I know about the industry in The Midlands. 	<p>North American Geography</p> <ul style="list-style-type: none"> I know the countries located in NA. I know about the climate of NA. I know about NA's landscape. I know about the people and culture of NA. I know about the United States. I know about NA's economy.
Sp2		<p>Where We Live</p> <ul style="list-style-type: none"> I can identify and describe some key landmarks in my community. I can talk about some natural features of my community. I can create a simple map of my local area. I can talk about different types of homes. I understand how environments can be damaged. I can talk about some ways to protect our environment e.g. recycling. 			<p>UK Geography</p> <ul style="list-style-type: none"> Introduction to the South West. Coastal areas and erosion. Landmarks and tourism. Agriculture and climate. Change over time. 	<p>Geography: Northern Ireland</p> <ul style="list-style-type: none"> I can identify the key features of Northern Ireland. I know why Northern Ireland is a popular tourist destination. I know how the Giant's Causeway was formed and the legend of Finn MacCool. I understand how the Marble Arch Caves were formed. I can show knowledge and understanding of Northern Ireland. 	<p>Australia</p> <ul style="list-style-type: none"> I know about the physical features of Australia. I can identify the main cities of Australia and their key features. I know about the different biomes located in Australia. I know about the Aboriginal people. I know that Australia is part of the commonwealth. I know about the main industries in Australia. Research key facts about Australian history. 	<p>South American Geography</p> <ul style="list-style-type: none"> I know the countries located in SA. I know the important geographical features of SA. I know about SA's biodiversity. I know about the impact of deforestation on the Amazon Rainforest. I can identify typical music and dance from SA. I know about the Inca Empire.

	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Su1			<p>The Seven Continents</p> <ul style="list-style-type: none"> I know that continents are very large areas of land. I recognise Europe as one of the world's seven continents. I can recognise Antarctica as one of the world's seven continents. I recognise Africa as one of the world's seven continents. I can recognise Asia as one of the world's seven continents. I can recognise North and South America as two of the world's seven continents. To recognise the continent of Australia. 	<p>Northern Europe</p> <ul style="list-style-type: none"> I can identify the countries in Northern Europe. I can identify physical and human features of northern Europe. I can describe the climate in northern Europe. I can name and describe animals found in northern Europe. I know that Roald Amundsen was an Explorer. I can describe Northern Europe. 	<p>Western Europe</p> <ul style="list-style-type: none"> I know the names of the countries located in Western Europe. I know that Western Europe has a temperate climate. I know about trade. I can locate and describe France. I can compare two Western European cities. 	<p>UK Geography: London & South East</p> <ul style="list-style-type: none"> I can identify the main areas of London and the South East. I can identify the physical features of London, Canterbury, Brighton and Dover. I can identify the topographical features of London, Canterbury, Brighton and Dover. I know the land use patterns of London, Canterbury, Brighton and Dover. I know how London, Canterbury, Brighton and Dover have changed over time. I know the human features of London, Canterbury, Brighton and Dover. 	<p>New Zealand & the South Pacific</p> <ul style="list-style-type: none"> I know about the physical features of NZ. I can identify the main cities of NZ and their key features. I know about the unique species of NZ. I know why NZ is prone to natural disasters. I know about the Maori people. I know about the main industries in NZ. Research key facts about NZ history. 	<p>Africa</p> <ul style="list-style-type: none"> I can identify the countries of Africa. I know about the climate and population of Africa. I know about Africa's diverse biomes. I know about Mansa Musa. I know about the effects of desertification of the Sahara Desert.
Su2		<p>Around the World</p> <ul style="list-style-type: none"> I can name the 7 continents. I can locate the 7 continents on a map. <p>For Each Continent:</p> <ul style="list-style-type: none"> I can identify the key places. I can talk about the climate. I can name the food commonly eaten. I can identify the animals. 			<p>Asia: India and China</p> <ul style="list-style-type: none"> Locating India and China. Human and Physical Geography of India. Rivers of India. Human and Physical Geography of China. The Great Wall of China. 	<p>Asia: Japan</p> <ul style="list-style-type: none"> Location of Japan. Weather and Climate in Japan. Physical features of Japan. Architecture in Japan (Human Features). Feudal Japan 	<p>Local Study</p> <ul style="list-style-type: none"> I can sketch a map of my local area. I can analyse graphs on my local area. I can collect data on my local area and analyse it. I can identify issues and solutions to local area. I know about the role of the local councillor. I can present my findings. 	<p>Globalisation</p> <ul style="list-style-type: none"> What is globalisation? Economic Globalisation. Political Globalisation. Social Globalisation. Globalisation; a global force for good?
