

Dear Parents,

We have had a great few weeks after the Spring Holiday and we have so much to look forward to! On Monday 10<sup>th</sup> May **all year groups will operate within their year group bubbles**. We have spoken to the pupils about the changes and listened to their thoughts on the matter and addressed any questions or concerns. The pupils will also get to use the **climbing frame** from Monday in addition to the Wildlife Garden and play equipment - this is something they are very excited about!

**Hall Assemblies** started again last week and it was great to spend time discussing and debating various age appropriate topics. Over the past few weeks we have covered the following subjects:

- ❖ Ramadan
- ❖ serving others
- ❖ kindness
- ❖ the impact our words can have
- ❖ online safety
- ❖ road safety
- ❖ our school rules

Some pupils were also awarded **Character Certificates**. This is when the teacher has identified a pupil who has displayed a particular character virtue throughout the week e.g. empathy, joy or perseverance. Pupils also discussed who they thought should receive a certificate next week. Our pupils are clearly able to discuss and recognise the **character strengths of others** - this is a skill for life!

The next **Teacher & Parent Meetings** will be hosted online via SchoolCloud on **Tuesday 18<sup>th</sup> and Thursday 20<sup>th</sup>**. Please do sign up for a meeting if have not already done so (emails were sent out on Wednesday 5<sup>th</sup> May). The teachers will discuss the following:

- ❖ a well-being check
- ❖ reading & writing (achievements and targets)
- ❖ maths (achievements and targets)
- ❖ celebrating an aspect of the wider curriculum

Finally, we need your support to help get our school back to that top standard of personal presentation (please see the photos on the next page). We need all parents to recommit to our uniform expectations; paying special attention to **black school shoes**, **white PE trainers** and **plain navy PE jumpers**. If you need any support with uniform, then do contact a member of the friendly Office Team!

Kind regards,

Mr Custance & The FW Leadership Team

# ONLINE SAFETY

Our online safety advisor, Alan Mackenzie, has made a video for parents to ensure they are well informed about the latest online safety advice. Please follow the Vimeo link below:

Alan has also made some online safety videos appropriate for our current Year 3, 4 and 5 pupils (see the three links below). We advise that parents watch the videos first before sharing them with their child to ensure they feel it is right for them.

**Gaming:** Please note that the game **Fortnite** has a PEGI rating of 12. This means it is not suitable for children under 12 years of age to either play the game or watch someone playing it.

**Social Media:** Please can we remind all parents and carers to be extra careful if they choose to allow their child to use social media platforms such as TikTok.

Please be reminded that social media platforms have age restrictions. TikTok, for example, has an age restriction of 13+. **TikTok is therefore unsuitable for our pupils.**

We strongly advise that parents and carers check how their child is using social media. Please contact the school if you have any questions or concerns.

# COVID-19 REMINDERS

Please find a list of Covid-19 reminders below:

- Please do not send your child to school if you or any member of your household is experiencing symptoms of Covid-19.
- Please do not send your child into school if you or any members of your household are awaiting the result of a Covid-19 test.
- Parents must follow any quarantine rules if they are returning from overseas. Pupils must not attend school if they have been instructed to isolate as part of their quarantine requirements.
