

## ENTER THE WONDERFUL WORLD OF BOOKS!

All pupils had a fantastic day during World Book Day sharing their favourite books. They also listened to their friends as they described some of the exciting, funny and occasionally emotional scenes from their favourite stories. We were very impressed with the costumes from pupils around the school – thank you everyone!

Please turn over for photos of:

- ✓ Nursery showing (and testing!) their paper inventions.
- ✓ Year 1 pupils learning to accurately pass and catch a rugby ball.
- ✓ Year 4 pupils proud of their fractions work in Maths.
- ✓ Year 1 pupils displaying joined up handwriting.

## CORONAVIRUS UPDATE 13.3.20

Dear Parents,

Thank you for your questions and feedback regarding the Coronavirus. This school will remain open as usual until further notice based on guidance from GLF (our Academy Trust). School events such as Family Learning will go ahead as planned unless we are advised otherwise. We are continuing to review the situation on a daily basis and we have listed the latest updates for your attention below:

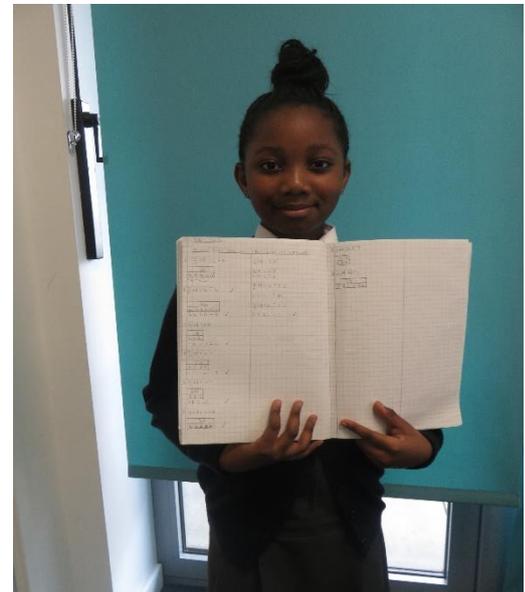

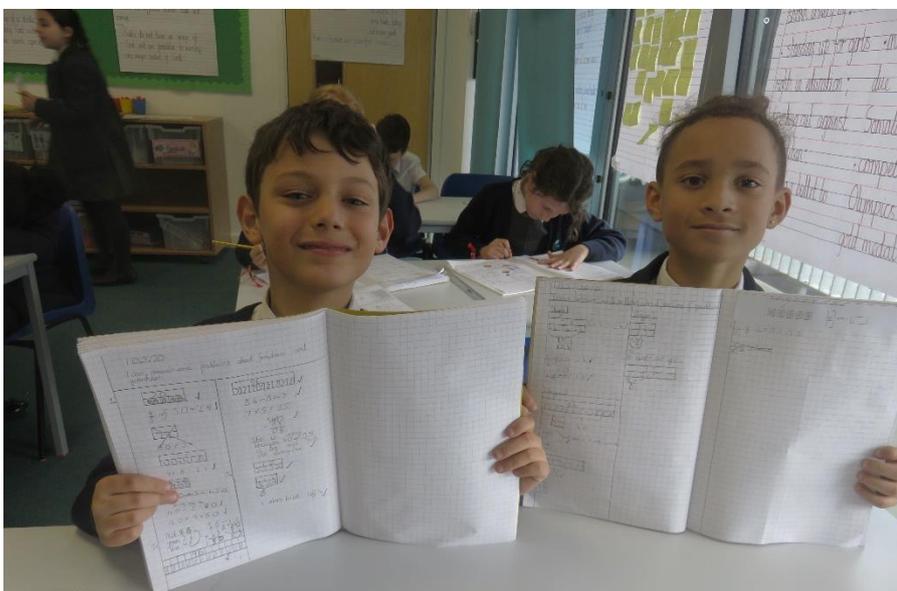

- Pupils and staff are instructed to stay at home if they have a cough which is persistent and frequent which has emerged recently (in the last few days) or they have a high fever/temperature (this normally means above 38C).
- The Senior Leadership Team are developing a Contingency Plan if the school is instructed by GLF to close. This plan includes how we will support all pupils to continue their learning at home.
- All personnel (including staff and parents) who come into the main school building (past the School Office) will be required to complete an updated Declaration Form.

For further information, please follow the links below:

# HOME / SCHOOL COMMUNICATION

At this school we always work together to ensure our pupils are happy and safe. We also work together to ensure families have a voice so their concerns, views and opinions are heard. In the first instance you can always approach the **Headteacher** (Mr Custance) about any concern or question you may have. Mr Custance will then offer advice and support or he will guide you to the right person for the appropriate advice and support. As a school we follow a three step process which can be found below.

## I NEED TO TALK TO SOMEONE

*'I need to talk to someone at school  
in person or over the phone.'*

Please request a meeting or a call back by phoning the school on 020 8353 4195 or email [office@wandsworth.floreat.org.uk](mailto:office@wandsworth.floreat.org.uk)

Please let the Office Team or member of staff know what the meeting is in regards to. This is so that we can contact the right person and find the relevant information for the meeting or phone call.

These meetings or phone calls will usually last no longer than 10 minutes and will take place either before or after school.

**STEP 1.** The **class teacher** will always try to resolve any issues or concerns first. They are always ready to help.

**STEP 2.** If Step 1 is not successful then you can request to meet either **Ms Burke** (Assistant Head for Years 3 & 4), **Miss Wood** (Phase Leader for Year 1 & 2) **Mrs Davies** (Assistant Head for Nursery & Reception).

**STEP 3:** On the very rare occasion that Steps 1 & 2 do not bring a satisfactory conclusion to the issue then a request can be made to meet with **Mr Custance** (Headteacher).

Please note that in cases relating to safeguarding your concern might require **STEP 2** or **STEP 3** straight away. The right person will contact you so that your concerns can be addressed.

## OTHER PARENTS & THEIR CHILDREN

It is a school rule that families must never approach other parent or other children about behaviour incidents, safeguarding issues or any concern or issue you may have. You must always inform a member of staff about a situation and we will help to resolve this. Thank you for your support.

Are you looking for local music opportunities for your child?

**Wandsworth Music Academy**, which takes place on Saturday mornings and Wednesday afternoons at Burntwood School, offers instrumental ensembles, choirs, performance troupes, theory lessons, small group and 1:1 instrumental/singing tuition for children from the age of 5. Please take a look at their website for more information:
