

Dear Parents, Carers and Guardians,

As we come to the end of another busy and rewarding school year, the governing board would like to extend our warmest thanks for your continued support of the school, its staff and, most importantly, its children. The partnership between home and school remains one of Floreat's greatest strengths, and it has been evident in every event, celebration and challenge throughout the year.

This year has been particularly special as we marked the 10th anniversary of the school's opening. The children threw themselves wholeheartedly into the celebratory danceathon, filling the school with energy and joy. We were also honoured to formally open the new library, a milestone moment attended by the school's founder, Lord O'Shaughnessy, and our local MP, Dr Rosena Allin-Khan MP. Their presence underscored the significance of the occasion and the pride felt across the whole community. A huge thanks to the Friends of Floreat Wandsworth and all the parents and pupils who took part in the many fundraisers, socials, cake bakes etc that raised the money to make this possible.

Throughout our visits to the school, governors have continued to see the Floreat values lived out in classrooms, corridors and playgrounds. The children's confident voices, their perseverance in lessons and their kindness towards one another have been a constant source of pride.

Across our termly board meetings, it has been inspiring to hear about how the school's focus on ensuring children are happy and secure and high-quality teaching are translating into the children's academic progress and achievements. These successes are only possible because of the strong collaboration between families and staff. Your encouragement at home, combined with the dedication of the teaching team, ensures that every child is supported to flourish.

As we close the 25/26 year, we celebrate not only the many concerts, performances and community events such as the amazing summer fair that have brought us together, but also the continued hard work and enthusiasm shown by every pupil. To our Year 6 children, we send our heartfelt congratulations and best wishes as you move on to your new secondary schools. Through the Floreat House system and many other ways they have shown great leadership to the younger pupils and we couldn't have been prouder of the effort they put into their SATs. To all other families, thank you for everything you have contributed to another successful year.

We hope you enjoy a safe, restful and happy summer break. The governors look forward to welcoming you and the staff back in September for another exciting year ahead.

Warm regards,

Fiona Campbell
Chair of the Board of Governors
